

COYOTE FEEDING REPORTED IN YOUR NEIGHBOURHOOD

There have been reports of a resident in this area **deliberately feeding coyotes**. Coyotes comfortable in your yard and around you are also comfortable around your neighbours' yards, pets and children. Please consider the effect your actions and behavior have on your community. **The majority of Lower Mainland coyotes that have bitten a child have been fed by an adult.**

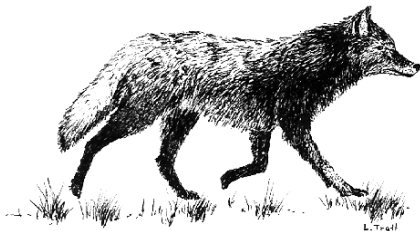

Outdoor pet food, fallen fruit from trees, accessible garbage and composts attract coyotes to your backyard.

Section 33.1 of the B.C. Wildlife Act makes the feeding of a coyote a criminal offence.
